HOT MEALS AREN’T THE ONLY THINGS WE’LL DELIVER TODAY.

Over 400 volunteers staff our meal prep sites and deliver hundreds of hot meals to our clients throughout Volusia County. Hundreds of additional seniors visit our Neighborhood Dining Sites to share a meal and socialize. Our team of talented and caring CNAs, HHAs and Homemakers visit client homes to help with personal care and grooming, meal preparation, light homemaking and other tasks of daily living. This support allows these seniors to remain safely and comfortably in their own homes. Many are served. Many are waiting.

COA DELIVERS HELP. AND HOPE.

RESPITE CARE.
A much-needed break for caregivers caring for loved ones with early-stage dementia.

IN-HOME SERVICES.
Gives seniors the support they need to remain in their own home and delay or avoid moving into assisted living or a nursing home.

Current Federal and State grants are not sufficient to meet the current demand for services.
